JVC®

The Perfect Experience

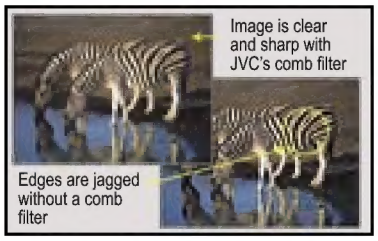
AV-27530

27" Direct View Television

JVC's direct view television offers superior picture and sound reproduction and elegant styling at an affordable price

High Quality Picture & Sound Features

• **3 Line Digital Comb Filter** – this digital comb filter helps reduce distracting picture anomalies such as hanging dots, color bleeding, and other cross color interference. Note the jagged edges on the stripes in the right hand image



• **4 Video Status Modes** – choose from Sports, the perfect mode for watching your favorite sport teams compete; Dynamic, to heighten contrast and boost brightness for a more vibrant image; Game, for playing video games; and Standard, the preset for everyday normal viewing

• **Black Level Expansion (BLE)** – a key standard feature on all JVC direct view models is our own BLE which creates dark, rich blacks that yield a picture with greater contrast and more vibrant colors

• **MTS Stereo Sound w/SAP** – stereo sound with Second Audio Programming means clear stereo output along with the ability to hear alternate audio tracks where available

• **Unified Remote Control with Game Button** – this handy remote operates your TV and a JVC brand VCR (sold separately). With one press of the special Game button, the TV input automatically switches to Video-3 (accessible on the front panel) and sets the video status of the TV to Game mode, the perfect settings for video game play

Notes & Disclaimers

• *Specifications are tentative and subject to change without notice.*
• *All images on this sheet are simulated to show effect.*

Convenience Features

• **Inputs & Outputs** – Input terminals include 1 Component Video Input, 1 S-Video Input, and 3 AV Inputs. Output terminal includes a Fixed Audio Output

• **A Full Complement of Standard Features** – includes Hyper Scan High Speed Channel Changer, Front Panel Lock, On Timer Vol. Setup, Auto Shutoff, Halftone Trilingual Menus (English/French/Spanish), Multi-Function Timer with Sleep, Return+ and more
